The Challenge of Purity

Matt. 4:1-11

Jesus' life empowers us to live in purity

1. Direction must come from the Word of God

(vs. 1-4)

Pressure comes from our weakness,
reason and misdirection

Purity comes from knowing and obeying
His Word

2. Protection must come from the heart of God

(vs. 5-7)

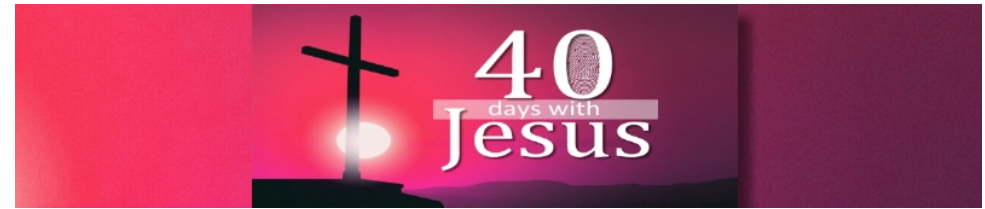

Pressure comes from our fears and desires
Purity comes from trusting His motives

3. Possessions must come from the hand of God

(vs. 8-11)

Pressure comes from our need and entitlement
Purity comes from appreciating His gifts

Let Him be the "Lord your God" through salvation
Let Him be the "Lord your God" through submission
