## The Abundance of Obedience

Jonah 3:1-10

Living in obedience to God produces an abundance of good things

1. Obedience will take you where you were always meant to be (vs. 1-3)

God wants to guide you

2. Obedience will make you do what you never thought you would do (vs. 4)

God wants to use you

3. Obedience will influence others in ways you have never seen (vs. 5-9)

God wants to bless through you

4. Obedience will enable you to see God work in ways you would not expect (vs. 10)

God wants to show you His glory

Know what God says, Do what God says
