Pastor Jesse Waggoner

Renewing the Mind Romans 12:1-8

Renewing your mind means seeing yourself
as part of the body of Christ

The beauty of a renewed mind

Transformative for us
Fulfills God's will for us

Remind yourself of your place in the
body of Christ

The benefits of a renewed mind

Allows us to see ourselves differently
Allows us to see others differently
Allows us to see life differently

Remember others have a place in the
body of Christ

Are you ready to renew your mind?
