## **Darkness** Matthew 27:45-47

### **1. What darkness is not**

It is not a minor event

It is not a natural phenomenon

### **2. What darkness represents**

It represents the absence of God

(Gen. 1:3, 1 John 1:5)

It represents the presence of sin (Prov. 4:19)

It represents the consequences of sin

(Isa. 9:2,6; John 12:46; 2 Peter 2:4)

### **3. What darkness means**

It means we all are touched by darkness (Eph. 5:8)

It means that light is the solution

(Rom. 13:12; Col. 1:13)

Idea: Darkness represents God's final solution for  
sin in the death of Christ

So: Walk in the light

So: Come to the light

It is time to step into the light!
